THE STAFF

We welcome you on a tour through the 1955-56 school year. Our aim is to show you our campus, community, people, and activities. With a theme emphasizing our unity in the Mystical Body of Christ and using our school colors, purple and gold, as a token of our school spirit, we begin the tour . . .

Parents of Loras Academy students are reminded of their own school days as they look over one of the new textbooks of their Loras Academy sons.

DEDICATION

Every Lorasman will agree that a great deal of time, work, and determination was spent to make his four years at Loras a success. Without the co-operation, encouragement and backing from our parents, the tremendous opportunities we enjoyed as students at Loras Academy would not have been possible. For this reason we dedicate this Log to our parents . . .

OUR

THEME

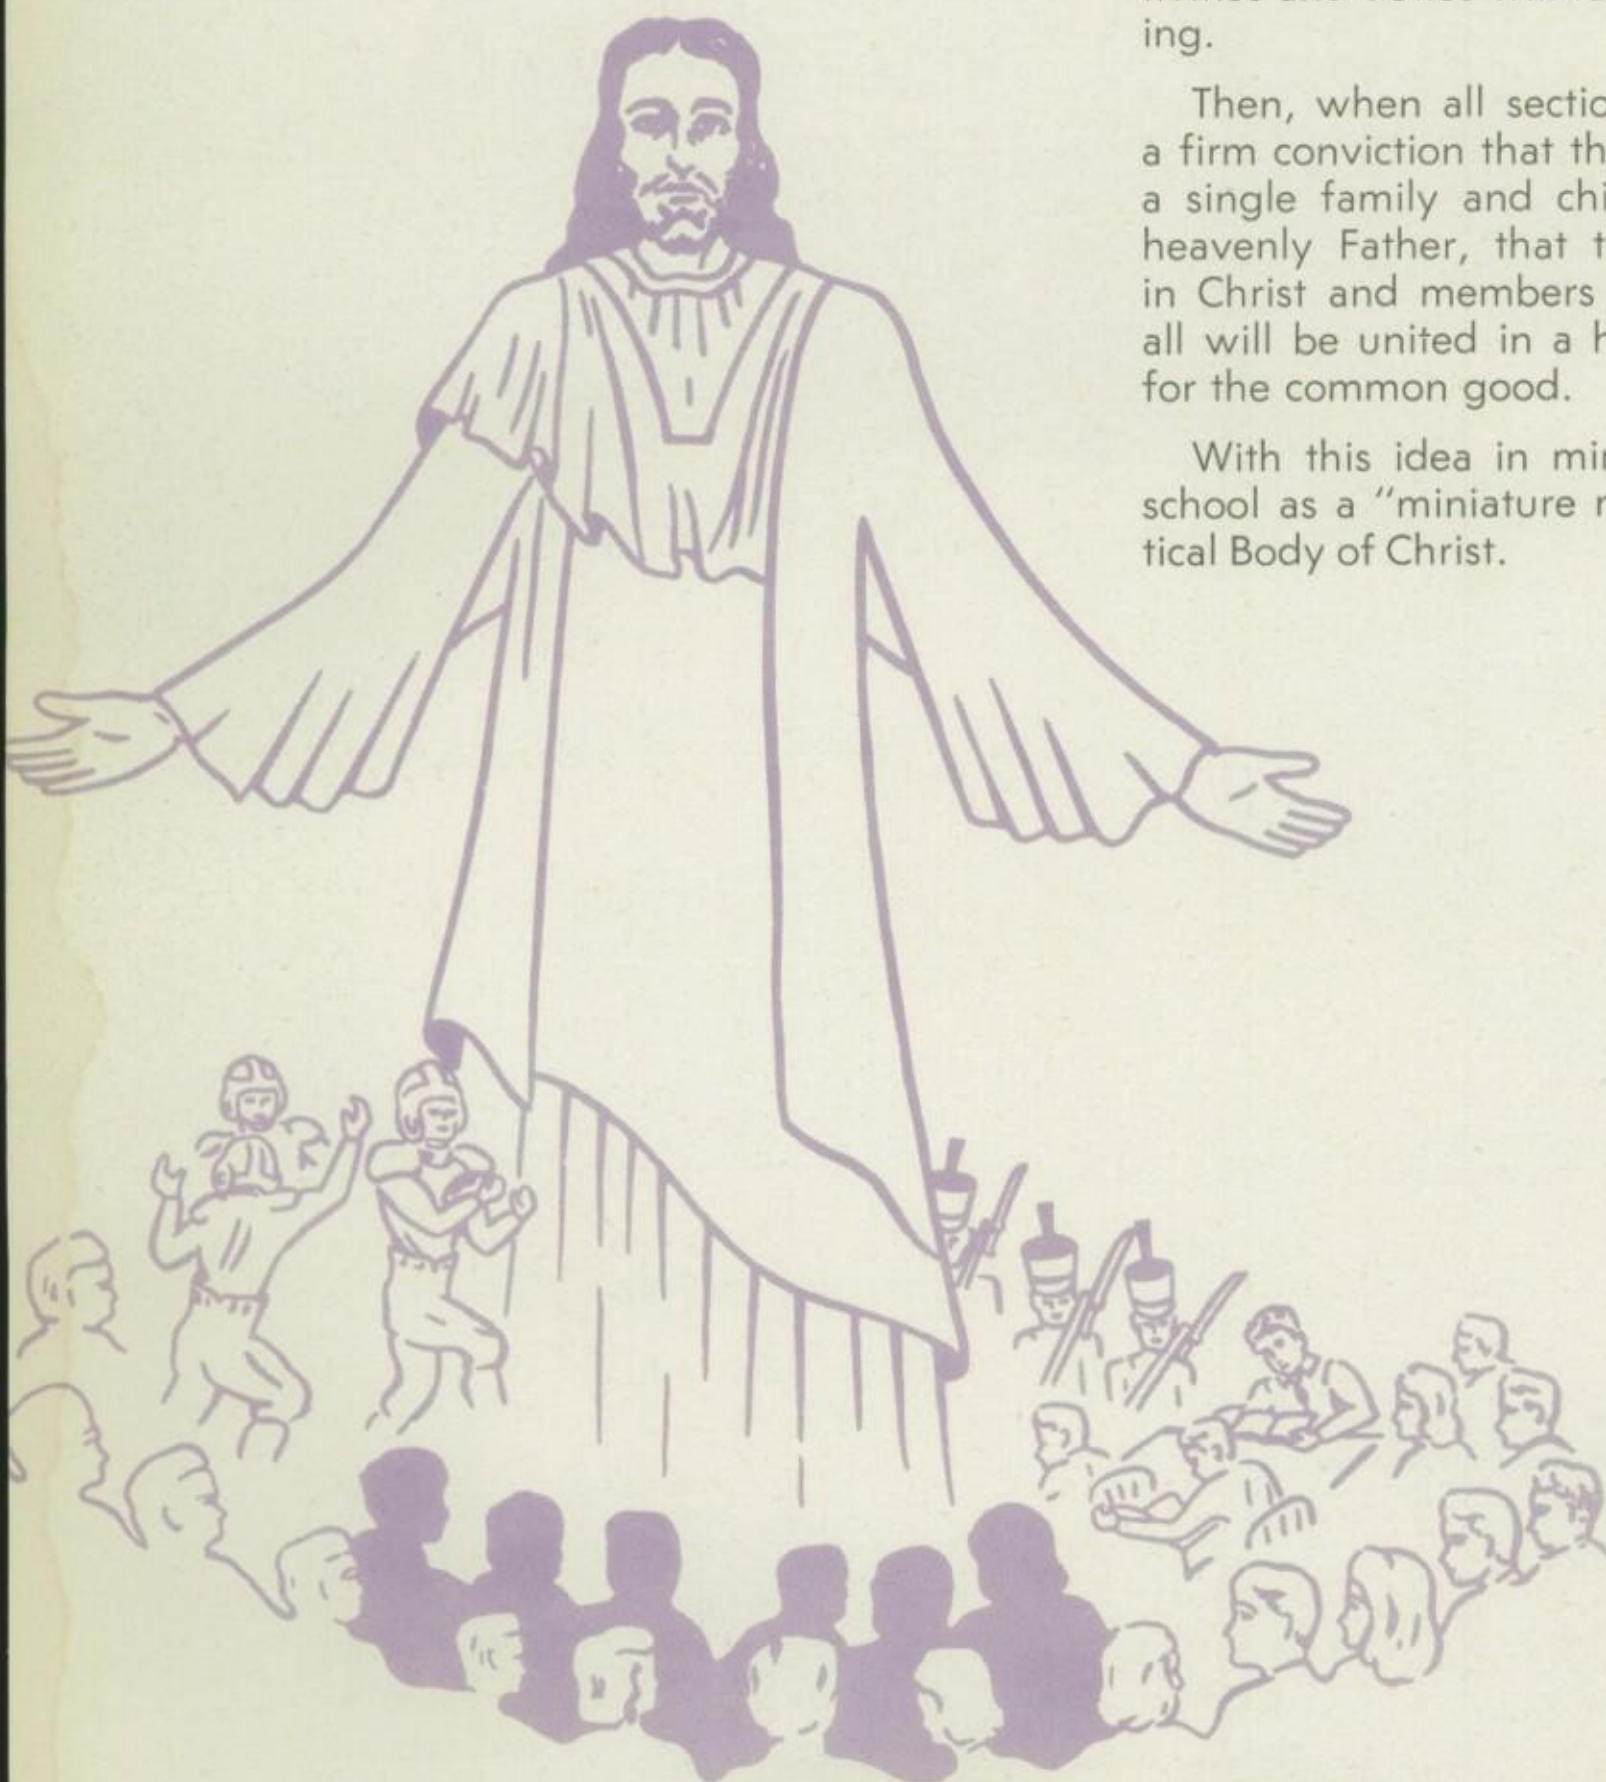

Catholicism is a living society, which St. Paul represents in the familiar analogy of the head and members of a body. The Risen Christ is the Head of the body, we are the members.

We have chosen this idea as the theme of our yearbook, especially since Pope Pius XI tells us that the Mystical Body of Christ exists as a divine model which Christ wishes all society to imitate.

Once we begin to think and act as members of the Mystical Body of Christ our activities and duties will take on a new meaning.

Then, when all sections of society have a firm conviction that they are members of a single family and children of the same heavenly Father, that they are one body in Christ and members each of the other, all will be united in a harmonious striving for the common good.

With this idea in mind we present our school as a "miniature model" of the Mystical Body of Christ.

We have divided the activities of our scholastic society into three sections as a . . .

MEMBERS AT WORK

"Whatever you do in word or in work, do all in the name of the Lord Jesus Christ, giving thanks to God the Father through Jesus Christ our Lord." (Colossians 3/17)

Father Guifoyle gave the juniors and seniors many words of wisdom in the talks he gave. Here he gestures during one of the conferences.

JUNIOR-SENIOR RETREAT

"Can you swim?"

Sound like a retreat? Well it was, and a good one, too. This question was one of the keynotes of the retreat conducted by Rev. Charles Guifoyle, C.P.

Actually it might sound like a Red Cross swimming instructor, but Father Guifoyle used it to bring out very convincing points on hell and eternity.

Our retreat master is very well known throughout the nation and his style appealed to everyone. The watch-words for the retreat were "WTBA"—wake up, think, blame, and act and he worked them into all his talks.

Senior retreatants between conferences, are intent upon making a good retreat by spiritual reading and examinations of conscience.

Mr. Jack Dale's 3C Homeroom had perfect membership in the Propagation of the Faith. Each year the students are called upon to join this mission society and the membership fees are used for mission work throughout the world.

MISSIONS AND ORGANISTS

The organists are on hand for all chapel exercises throughout the year. The Junior-Senior Retreat and the Sophomore - Freshman Day of Recollection are days of special duty.

SACRISTANS AND RECOLLECTION

A day of prayer was spent by the freshmen and sophomores on their annual day of recollection held Wednesday, March 28.

Activities were conducted by the Rev. Joseph Kissling in St. Joseph's Chapel.

Freshmen do some spiritual reading between talks by Fr. Kissling.

Mothers' Club punch-servers stand at attention at Military Ball.

L.A. dads sometimes have to double as chefs.

MOTHERS AND DADS

Dads, mothers and lay faculty members and their wives get together at Homecoming.

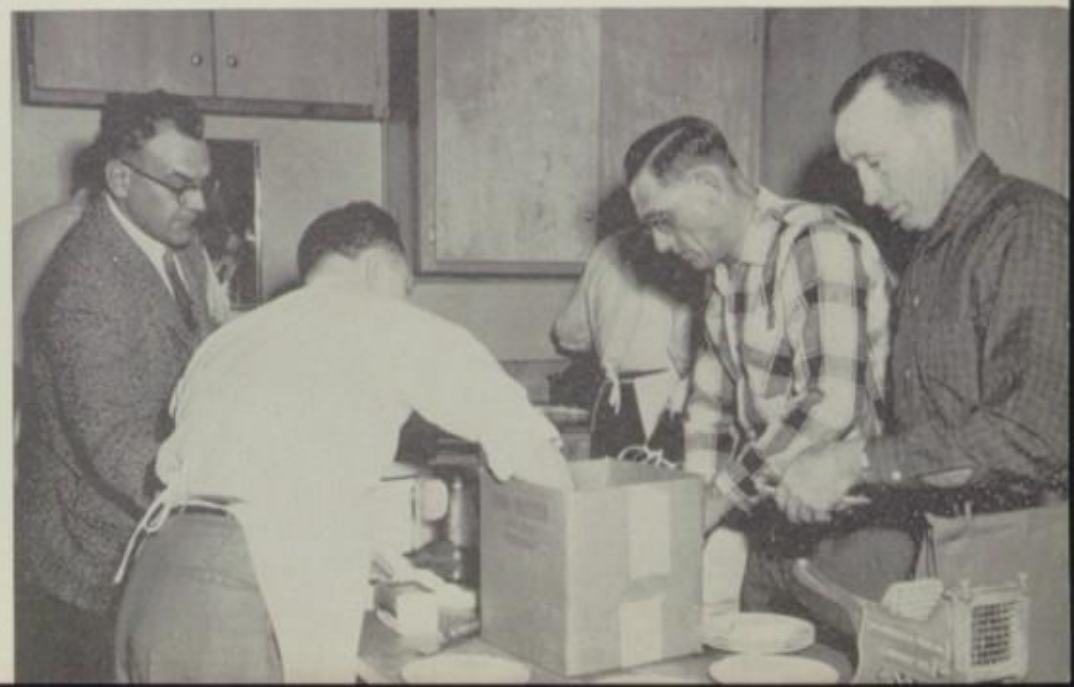

The Mothers' and Dads' Clubs continued to foster good home-school relationship. They sponsored many events including the purchase of new outfits for the members of the Drill Team.

The Mothers' Club sponsored the Glee Club trip to Des Moines for the state music festival and gracefully acted as hostesses at the various social functions of Loras Academy.

The Loras Dad's Club has the same purpose as the Mothers' Club—to back their sons at the Academy "to the limit."

Below: More dads on KP duty for one of the many events during the year.

The Drill Team lines up ready for inspection by "Commander" Graham.

DRILL TEAM

Working in the hot sun, the Drill Team goes through one of its many maneuvers.

Appearing before a crowd of about one thousand, the Drill Team, a precision drill platoon, put on an exhibition on Parent-Faculty Day. On this first public appearance, the Drill Team proved to be efficient in the 16-count manual of arms, the "ocean wave," side-step and various flanking movements.

The Drill Team also appeared in the Armed Forces Day parade where they again amazed the on-lookers with their performance. Leading the platoon was I/Lt. James E. Graham. The four squad leaders were Nick Sunseri, Ron Wilgenbusch, Pete Elmer, and Jim Trosky. The able supervisor was M/Sgt. Dale Hanks.

Certainly a fine tribute to the R.O.T.C. Battalion, the Drill Team this year reached its peak under the leadership of Lt. James Graham.

Father Pitzen and Father Grace assist Bishop Lane at closing Mass in Christ the King Chapel.

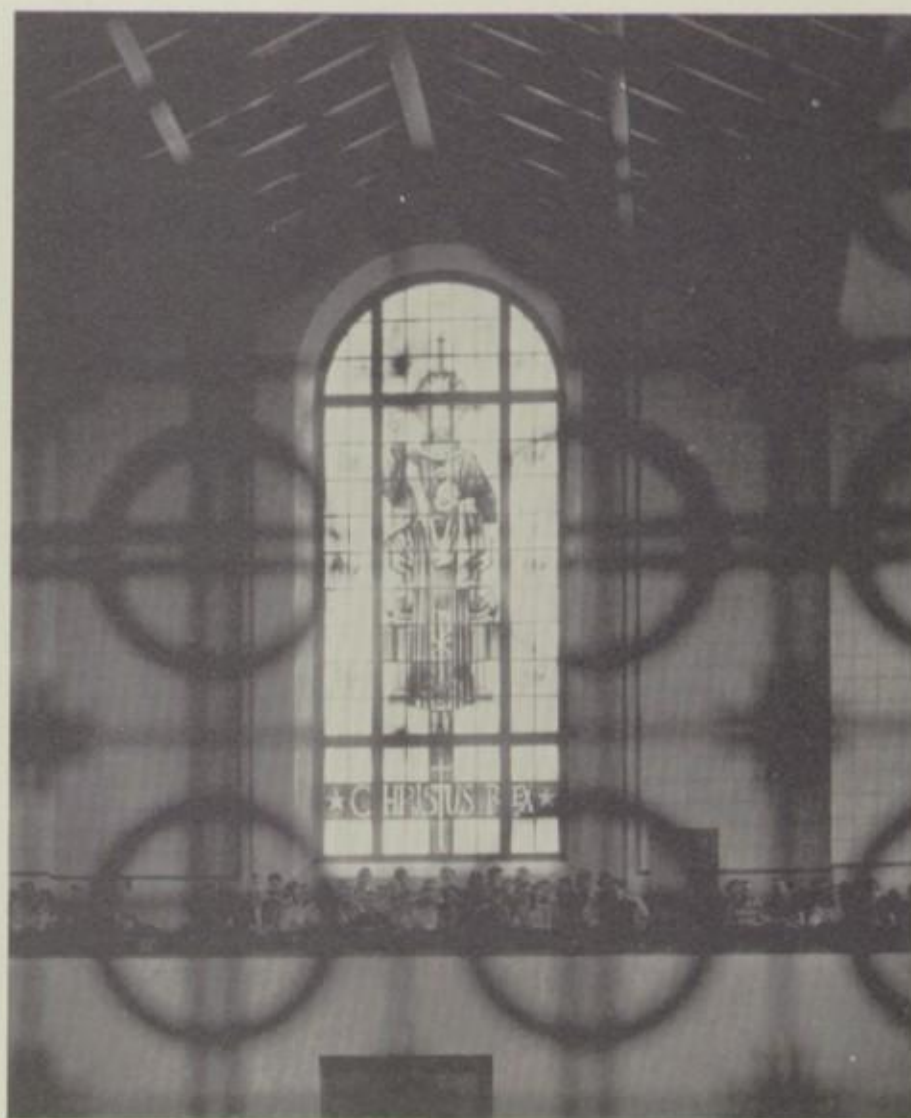

ORIENTATION

The orientation program is designed to help each student here at Loras and to aid him in later life.

The program is conducted in the individual homerooms, with the emphasis being placed on each student's problems rather than on the class as a whole, and confessions were heard during each study period.

Orientation week was closed with a Mass celebrated by the Most Rev. Loras T. Lane, president of Loras College, assisted by the Rev. John J. Pitzen and the Rev. Paul J. Grace, and attended by the entire student body. The closing talk was given by Father O'Brien, Academy principal.

The Sacrifice of the Mass in the Loras College Chapel under the symbol of Christ the King officially closed Orientation Week.

Mr. Hurm gets the morning session with solid ideas and was a big hit.

"It was fun as well as helpful in working out some of the problems of home life" was the comment of many students about C. A. Day. The seniors' views were found by taking a poll of what they thought about the way the day was handled and what improvements they would like to see made.

The "66" method of discussion was turned into the "88" method with eight people to a group instead of six. By this method, everyone in each group has an equal chance to express himself. The conclusions of the individual groups are then presented to the entire assembly by a member of each group. The idea is to observe, judge and act on a problem.

The Rev. Norman White, formerly of Loras, now at Mt. St. Bernard Seminary and Mr. Thomas Hurm, instructor at the Academy were speakers.

CATHOLIC ACTION DAY

"You're elected!" This group, after electing a leader to lead discussion, is ready to start finding where and why a problem exists and what can be done to correct it.

CAREER DAY

Butcher, baker, candlestick maker!

Occupations galore were investigated by 155 Loras juniors as a part of Dubuque's Junior Career Day, April 24. Sixty-nine firms opened their doors to those eager students who are looking ahead to their future life's

work.

The activities began with an assembly at which various vocational and commerce officials spoke. The Rev. Robert M. Hirsch of the Academy represented the five Catholic high schools in plannings and events.

STUDENT COUNCIL

Every other Wednesday, the gavel fell and Bob Roth called the Student Council meeting to order. With delegates from every homeroom, chairmen of the committees and the officers present, the Student Council met to make the ideas of the students official.

"What can be done to improve homeroom meetings?" This was always on the agenda for the Student Council meetings because it is so important to have ideas coming from the homerooms. Equally important, if not more so, is having good homeroom chairmen who will convey the motions of their homerooms to the Student Council meetings.

Mixers, bus trips, religious activities, pep rallies, assemblies, publicity and the intramural pro-

gram are all results of the work of the committees of the Council. Under the guidance of the chairmen, the committees have the job of planning and supervising the student sponsored activities.

The officers of the Student Council have the bulk of the work. The president is often called upon to Emcee such affairs as the Homecoming Dance, the Spring Prom and student assemblies. The attorney-general works with the Student Court. He and the president go to Boys' State the previous summer. He is also a delegate to the Inter-school Council. The parliamentarian organizes and conducts an assembly on parliamentary procedure. The secretary-treasurer handles all the records and the corresponding secretary does all the letter writing.

President Bob Roth blinks as he pounds the gavel for order at a Student Council meeting. The rest of the officers are amused. They are, left to right: Joe France, attorney-general; Dorrance Bakey, secretary-treasurer; Roth; Bob Beckmann, parliamentarian; and Duey Kerper, corresponding secretary.

Above: The chairmen of the committees of the Student Council and delegates of some of the special school organizations are, standing, left to right: Tom C. Welu, assembly committee; Emil Hlas, religious committee; Gary Hird, intramural committee; Jared Spahn, parties committee; Ron Wilgenbusch, public relations committee. Seated: Ed Whitfield, delegate from the Student Court; Jim Graham, dance committee; Bob Cardelli, publicity committee; and George Chapman. Not present for the picture were Dave Czizek, delegate from the glee club and Bob Wahlert, delegate from the Crest.

Father Kutsch wears a broad grin as he approaches the Student Council room to disperse the daily chaotic crowd that gathers there.

Left: Students gather about the many campaign posters as the Student Council elections reach their peak. This year's campaigns were the best since the Council was started.

Faculty, parents and students gather to discuss revision of the student handbook. Looking over the plans with the Rev. Roger E. O'Brien, principal, are, seated, left to right: Mrs. Joseph Sunseri, president of the Mothers' Club; Father O'Brien, Bob Roth, Student Council president. Standing: Rev. Eugene Kutsch, assistant principal; Mr. Paul Brown, president of the Dads' Club; Bob Beckmann, parliamentarian of the Council; and Rev. Robert Hirsch, assistant principal.

Left: Roth is vexed as he tries to figure out the minutes of the Council meeting as compiled and typed by Secretary Bakey.

Right: Paul Richard is finished voting for his choice in the Student Council elections and Don Lange waits his turn.

The entire debate squad is shown at one of its regular meetings, with the moderator, Father Birmingham, briefing them on the finer points of rebuttal. Meetings were held after school on Monday and Wednesday.

DEBATE

The saying "Seen but not heard," was completely demolished as the debate team began the year with speech exercises and worked up to full scale inter-school debates.

Exercises, including recitation before a recorder, gave the team the necessary experience and they sallied forth to join battle with Lancaster and Richland Center.

Emerging safely they proceeded to district competition, but went down 2-4. The "A" team, composed of Pete Voelz, Pat Corbin, Bernie

Rhomberg and Bob Wahlert and the "B" team composed of T. J. Carew, Merl Barta, Urban Haas, Dick Friedman, Dave Weis, Dave Manders and Al Scannell were all juniors, and along with their newly appointed moderator, the Rev. A. J. Birmingham, were all in their first year of debate.

Debate is an extracurricular activity, in which juniors and seniors may participate. The national high school debate topic was, "How should educational opportunities be increased for the youth of the United States?"

Fr. Birmingham reviews critique sheets from past debates with the "B" squad, T. J. Carew, Dave Manders, Dick Friedman, Merlin Barta, Dave Weis and Al Scannell. This, together with recorded speeches and practice debates, gives the team needed experience.

Pat Corbin, first affirmative, stresses an important point in a debate while his partner, Pete Voelz, second affirmative, looks on. Negative debaters, Bernie Rhomberg and Bob Wahlert take notes.

the year's activities. Together with the other Dubuque Catholic High Schools, Loras spent the day in "workshop" practices under the baton of Dr. Henry Seitz of Detroit. The day climaxed with a two hour public concert in the evening.

Fifteen Loras Glee Clubbers attended the biennial Iowa Catholic Music Educators Association's Convention at Des Moines. Mr. James Welch, New York, conducted the three day affair attended

by over 500 Iowa students.

A special recording session later in the spring marked the end of the year's performances. The broadcasted program included everything from westerns to spirituals.

Beardsly Lake was the scene of festivities for the annual picnic that gave the members a chance to cool off after a hardy season.

Above: Glee club members discuss the good time they will have in Des Moines as they prepare for the trip. These students participated in the biennial state music festival which was held this year at the capital. Visiting students were housed in private homes and all reported a wonderful time. Standing: Bob Wahlert, Loras Gerken, Ron Wilgenbusch, John Steger, Pete Voelz, Don Frommelt and Emil Hlas.

The glee club also took part in the annual city music festival in Dubuque. Here they are at their best under the baton of guest conductor, Harry Sitz.

STUDENT COURT

Mr. Faley and Dave Czizek review court procedure.

Hand picked from the Business Law classes, and approved by the Student Council, the 1956 version of the Student Court swung into action.

With eight judges and a chief justice, the LA version resembles the Supreme Court of the U.S. Although the Court had little experience, their sessions went quite well and Mr. Jack Faley, the moderator of the Court has high hopes for

next year.

The judges for this year were: Chief Justice Dave Czizek, judges Ron Justice, Paul Richards, Ed Whitfield, John Wilbright, Ardie Esslinger, Ralph Mueller, Gary Less and Jim McDowell. Joe France was prosecuting attorney and Don Breitfelder was defense attorney.

Fr. Perry, Pete Elmer and Russell Kuennen work on publicity.

A good typewriter, a duplicating machine, some carbon paper and plenty of good "hot" news are the things that make up the raw material for the publicity departments at Loras. These things plus plenty of hard work on the part of the Revs. Robert M. Hirsch and Francis J. Perry produced two fine running organizations.

Father Hirsch is in charge of general publicity. The news stories are sent to the Telegraph-Herald

PUBLICITY

and other nearby newspapers, as well as radio stations KDTH and WDBQ.

With the help of his two assistants, Russell Kuennen and Pete Elmer, Father Perry has handled the athletic end of publicity. They keep records and statistics of all the games for the radio stations and newspapers. At the football games, Russ charted plays and Pete was in charge of the programs.

At a staff meeting, Fr. Grace constructively criticizes one of the early issues of the Crest. Gathered around Father from the left are: Charlie Naumann, sports editor; Pat Corbin, news editor; Pete Voelz, associate news editor; Don Freiburger, feature editor; and Bob Wahlert, editor-in-chief.

THE CREST

"Turn off the radio. Where's the paste? Who wrote this story? Get the headline schedule." These and many other similar statements can be heard on the second floor on Wednesday nights, when the Crest is finished and sent to press.

The Crest gives students the opportunity to learn how a newspaper is written, assembled and financed. It helps keep the students up to date on current school activities, athletics and coming events, as well as providing students a chance to write feature material. A birds-eye view of

new recordings and glimpses of past hits was written by T. J. Carew, in "In the Groove." The faculty made the headlines in Dave Manders' column, "Faculty Photo," and the students were represented in "Dress Parade" and "Cadets" by Al Scannell and Jim Kemp.

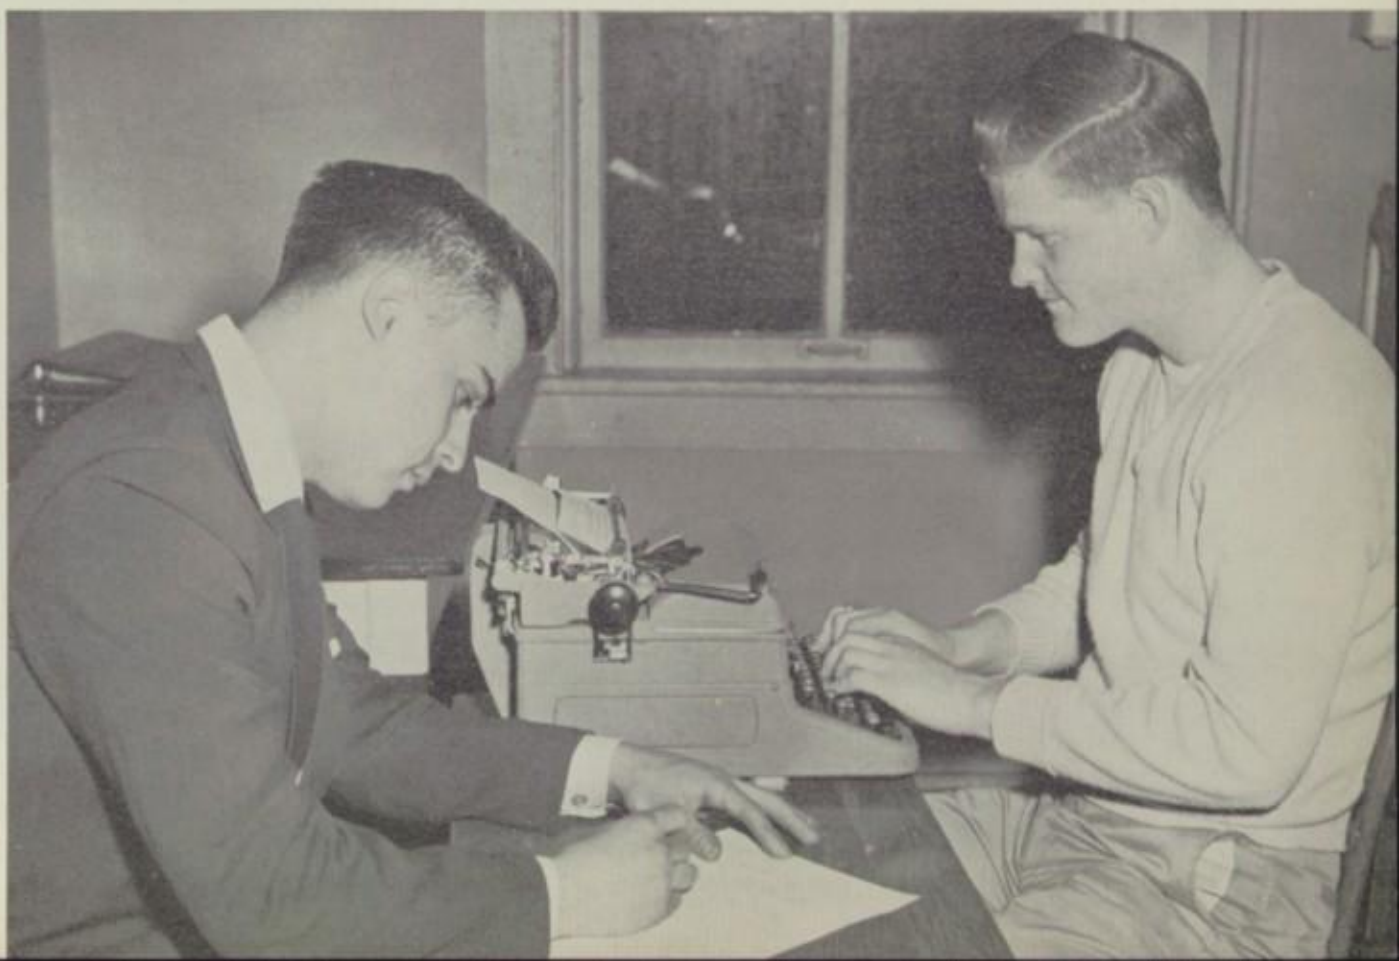

For the past ten years the Rev. Paul J. Grace has supervised the publication of the school paper and three years ago, Mr. C. J. Lorenz took over the business and circulation staff.

The news and feature writers take time out from a busy schedule to pose for the Log photographer. From the left they are: T. J. Carew, Dick Friedman, John Lang, Jim Kemp, Dave Manders, Jack Heiderscheit and Alan Scannell. Mike Pauly, who was not present for this picture, completes the staff.

Giving the last issue a thorough going over, are: Bernard Rhomberg, Business Manager; and Gary Schuster, photographer.

After copy-reading, the stories are sent to the typists, Bob Locher and Bob Kies, and then to the printers.

THE LOG STAFF

A good beginning is half the battle and the Log staff swung into action upon their return from summer vacation. In fact the staff got a head start this year by planning out the theme of the book before the end of last year. They were all set to start right out with the work and headaches at the onset of 1955-56.

Tackling each season as it came along, the editorial staff of Beckmann, Freiburger, Whitfield and Corbin got things rolling and kept them rolling on schedule under the whip of the Rev. Ernest J. Engler, moderator.

Duey Kerper took good care of the advertising with help from Dorance Bakey and Jared Spahn.

Photography was handled completely by Kerper, Bob Burke and Father Engler.

The stories that were not done by the editors were written by Alan Scannell, Pete Voelz, Bob Wahlert, Ron Wilgenbusch and T. J. Carew.

The purpose of the Log is to record for the students the happenings of the year in pictures and stories. The editors not only do this, but try also to express the views of the students on various activities and events. All in all, it is a students' yearbook to keep in memory the "best years of our lives."

Editor-in-chief Beckmann shows the staff a deadline that must be met. Seated, left to right are: Kerper, ads; Freiburger, literary; Beckmann, Whitfield, sports; and Corbin, assistant. Standing: Bakey, Scannell, Voelz, Wahlert, Wilgenbusch and Carew. Bob Burke was not present for the picture.

PHOTOGRAPHY STAFF

The year's activities came to a screeching focus under the adept touch of two outstanding senior photographers, Duane Kerper and Bob Burke. Duey saw a great deal of action on the football field, basketball floor and around school in general, with his "Rollie."

Both Bob and Duey spent many hours in the school darkroom developing film and printing pictures with the new Omega D-3, provided by the photographic advisor, Father Engler.

Toward the end of the year Duey also acquired a sensitive touch on the school Speed Graphic while Bob specialized in the Dektol and Rapid Fix department.

Father Engler has been moderator of the photographic department for the last three years and he specializes in the science of impressing photographers with the need of good pictures for good yearbooks.

Head cheerleader Ron Jestice gives the rest of the group some pointers on the fine art of cheerleading as moderator, the Rev. Everett Frese looks on. Left to right are: Tom Yates, Ron Timmerman, Ray (Peanuts) Schroeder, Alan Scannell, Don Pfohl, John Tauke and Father Frese.

CHEERLEADERS — STUDENT MANAGERS

"Hi, gang!"

This has been a favorite cheer at Loras for the past few years and always gets the crowd yelling. That may not seem like a hard job, but ask any one of our able cheerleaders and they will tell you that it isn't easy to get the "gang" cheering especially when the chips are down.

The job of student manager is another difficult job and requires time and patience. They help the coaches issue equipment for football, basketball, track and baseball and have to be ready to jump at the call of an athlete for a "left track shoe, size 11" and various gripes of one sort or another.

Right: Ron Friedell and William Burns, student managers, straighten up the uniform rack after a baseball game.

CLASSROOM ACTIVITIES

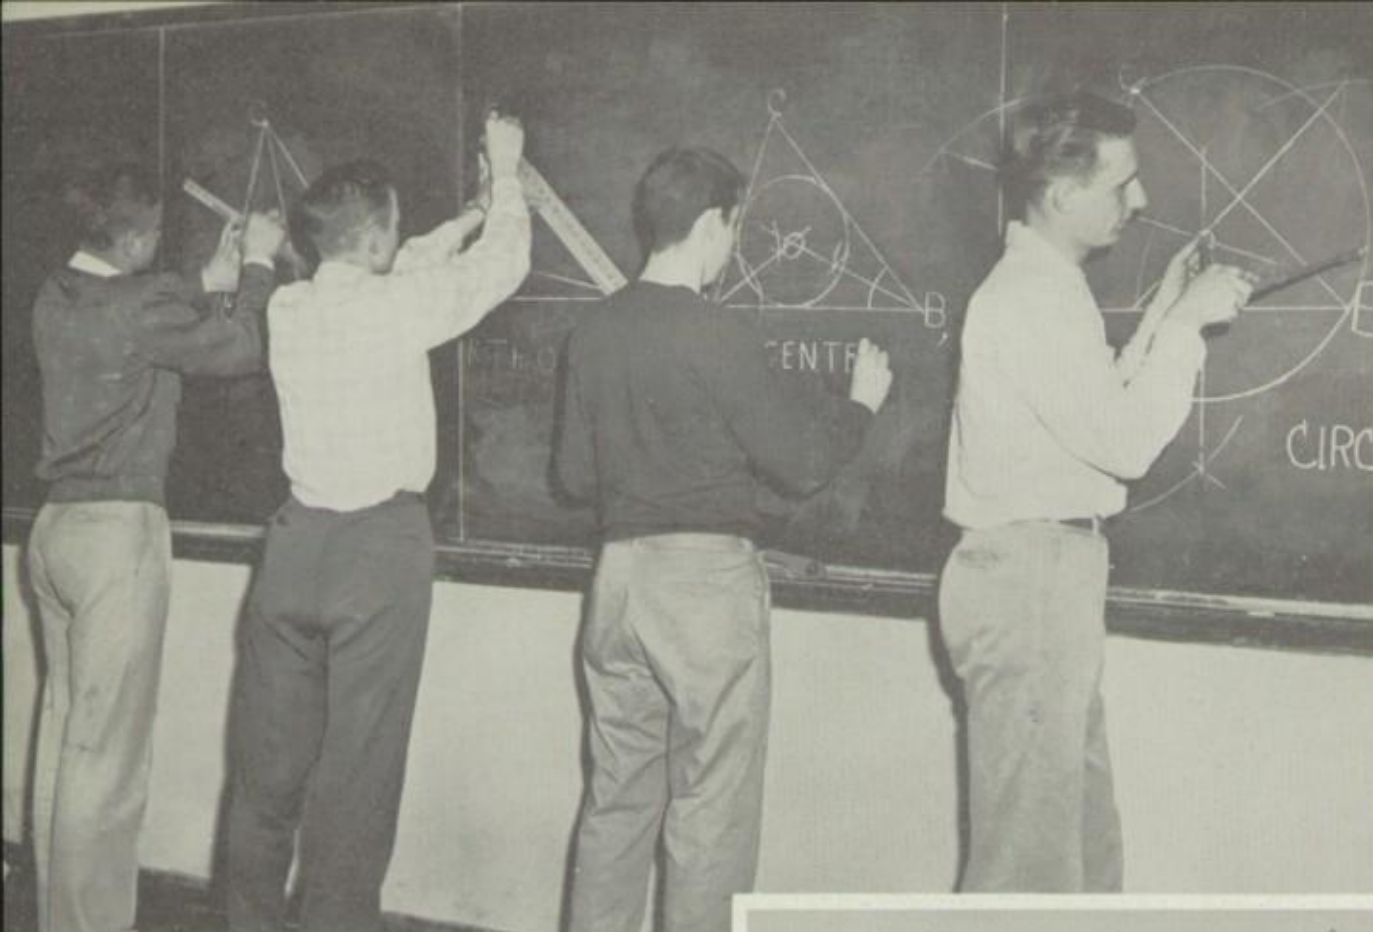

Individual guidance is available to every student at Loras Academy. Each morning the first fifteen minutes are spent on guidance topics. Talking over past records and discussing future plans is a great help in solving many student problems. In the picture to the right, Fr. O'Brien talks over future plans with Charlie Naumann.

The mechanics of an X-ray tube are explained to Eugene Shroeder, James Maas, and Walter Roe by Mr. George Willging, physics instructor. Freshmen take General Science, while physiology is offered to all students.

Ronald Friedell points out one of the more powerful Greek cities to La Vern Siegworth and Father Birmingham in a sophomore World History class. American History is studied in the junior year.

"Experience is the best teacher." Sophomore geometry students realize this in drawing geometric figures. Third and fourth year math courses include: advanced algebra, consumer's math, trigonometry and solid geometry. The frosh take the usual course in algebra.

Tom Stender, chairman, calls a typical homeroom meeting to order, while Dave Schueller, secretary-treasurer, starts taking minutes and Bill White, parliamentarian, is on hand to maintain the proper procedure of the meeting. Each homeroom has a meeting bi-weekly following each council meeting. These meetings acquaint the students with parliamentary procedure and democratic government.

Fr. Frese rehearses with a group of freshmen in the band room. Fr. Blackburn and Fr. Frese spend a great number of their spare hours each year in developing and carrying out a worthwhile music program here at the academy.

Typing is one of the many business courses taught at Loras. Fr. Perry looks on as members of his 3E class put their skills to work. Bookkeeping and Business Law are other courses in the curriculum, and a special night course in typing was conducted by Mr. Thomas Hurm on Tuesday and Thursday nights.

Two Academy freshmen receive instruction from Mr. Clifford Lorenz on how to use the SRA reading accelerator. This is one of the many devices used by students taking reading skills.

Mrs. McCarten helps Don Lange use the card catalogue, while Charlie Hickson watches attentively. This year the library became known as the senior study hall. In addition to the standard reference books, the library has many current magazines available for spare time reading.

Maintaining office records, making up the daily bulletin, listing absentees and answering telephone calls in the morning are a few duties of Miss Jane Kean and Miss Mary Bahl, secretaries to the principal.

Distributing magazines in National Problems class found John Wilbricht passing out the weekly magazine "U.S. News and World Report," while Dave Schueller checks them off. Ed Whitfield is receiving a copy while Bill White "scoops" the "hottest" news. National Problems is a second semester, fourth year course, while American Government is taught the first semester. Economics is a course open to juniors and seniors.

Bulletin boards help students to see the customs of the people of foreign lands. John Dolan puts up the latest "fragment," while Pete Freyman and Ronnie Beherns look on. There are many bulletin boards located at various places so that students may follow the "proper" of the day. Latin and English, of course, are standard four year courses. Sophomores may take a special course in journalism.

Below: Cleaning the rifle is one of the many phases of ROTC. The free time of many cadets was spent in maintaining their rifle and keeping their uniform "shined up." ROTC cadets receive courses in Leadership, Drill and Command, Tactics, First Aid, Map Reading and Weapons.

In the top picture above John Roseliep and Tom Scharle put away their mechanical drawing equipment in the newly furnished drawing room. In the lower picture Morris Neyens does his homework in mechanical drawing, a math supplement in the Loras curriculum.

The end of the day finds many students lined up by the principal's office for various reasons: to sign out the stapler, borrow the keys to the main bulletin board, take out the basketball, use the bolt cutter, confer with Fr. O'Brien and, last but not least, to get a paper stamped.

Band officers for the 1955-56 school year were, seated: Captain Ron Willging. Standing: 1/Lt. Tom C. Welu; and 2/Lts. Duey Kerper and Dan Hanten.

BAND

For blocks around Loras Boulevard and Prairie Street, the Loras Academy Band can be heard on Mondays, Tuesdays and Thursdays during the last period in the afternoon. Actually, this is no exaggeration, the academy band is a mighty organization, under the direction of Mr. Vaughn Gayman, with everything from solo trumpet to glockenspiel and drums.

The results of these practice sessions can be heard at all home football and basketball games as well as at such activities as Federal Inspection and graduation.

Prior to the Military Ball, the seniors in the band elect their officers for the year. This year the captain of the band was Ron Willging and lieutenants were Perc Welu, Duey Kerper and Dan Hanten.

The annual band trip, which is sponsored by the Mothers' Club, was made to the Loras-Alleman basketball game at Rock Island.

This year's band was the first to have the services of an assistant director. He was Mr. Nick Gaerets, a junior at Loras College.

R.O.T.C. OFFICERS

One of the highpoints in the R.O.T.C. program at Loras is the receiving of commissions by worthy cadets. The Rev. Roger E. O'Brien and Captain Howard B. Boston, P.M.S.T. present the commissions each year at the Military Ball.

HOMECOMING — 1956

1955 NICE BOO-BOO, BECK!

Emphasizing the theme of the decorations, these couples take delight in the fate of Dowling.

Homecoming activities started off with the selection of a queen and the crowning of Lucretia Alvarado at the Homecoming dance, Friday, October 14.

Murals of high school students through the years, at different places on the dance floor, added a nostalgic touch to the dance while the dancers enjoyed the music of Joey Paradiso.

On Saturday night the annual mixer was held. Al Serritella, an alumnus, and co-captains, Bob Murphy and T. J. Welu, made it clear that they would do their best to win the homecoming game.

The following day, the members of the homecoming committee under the direction of Tom "Percy" Welu, put the final touches on the stadium. In the game that followed the Loras Gubs bounced over Dowling 31 to 0.

Entertainment at dance intermission almost turned into a pep rally when Joey Paridiso whooped up Gub spirit by playing the Gub song.

Three couples raise their eyebrows as they approach the centerpiece at the Homecoming Dance.

Half-time at the homecoming game found Bob Beckmann presenting the queen and her court accompanied by the acting battalion and company commanders.

VARSITY FOOTBALL

Practice, practice, and more practice was the strategy used by Coach Gailen Thomas as he began the 1955 football season with a team short in experience but high in spirit.

With only seven returning lettermen, and of these only four regulars, the Golden Gubs battled to shake off their early season miseries of inexperience and ended the season with a respectable, four wins, four losses, and one tie, record.

LORAS—6 CLINTON—21

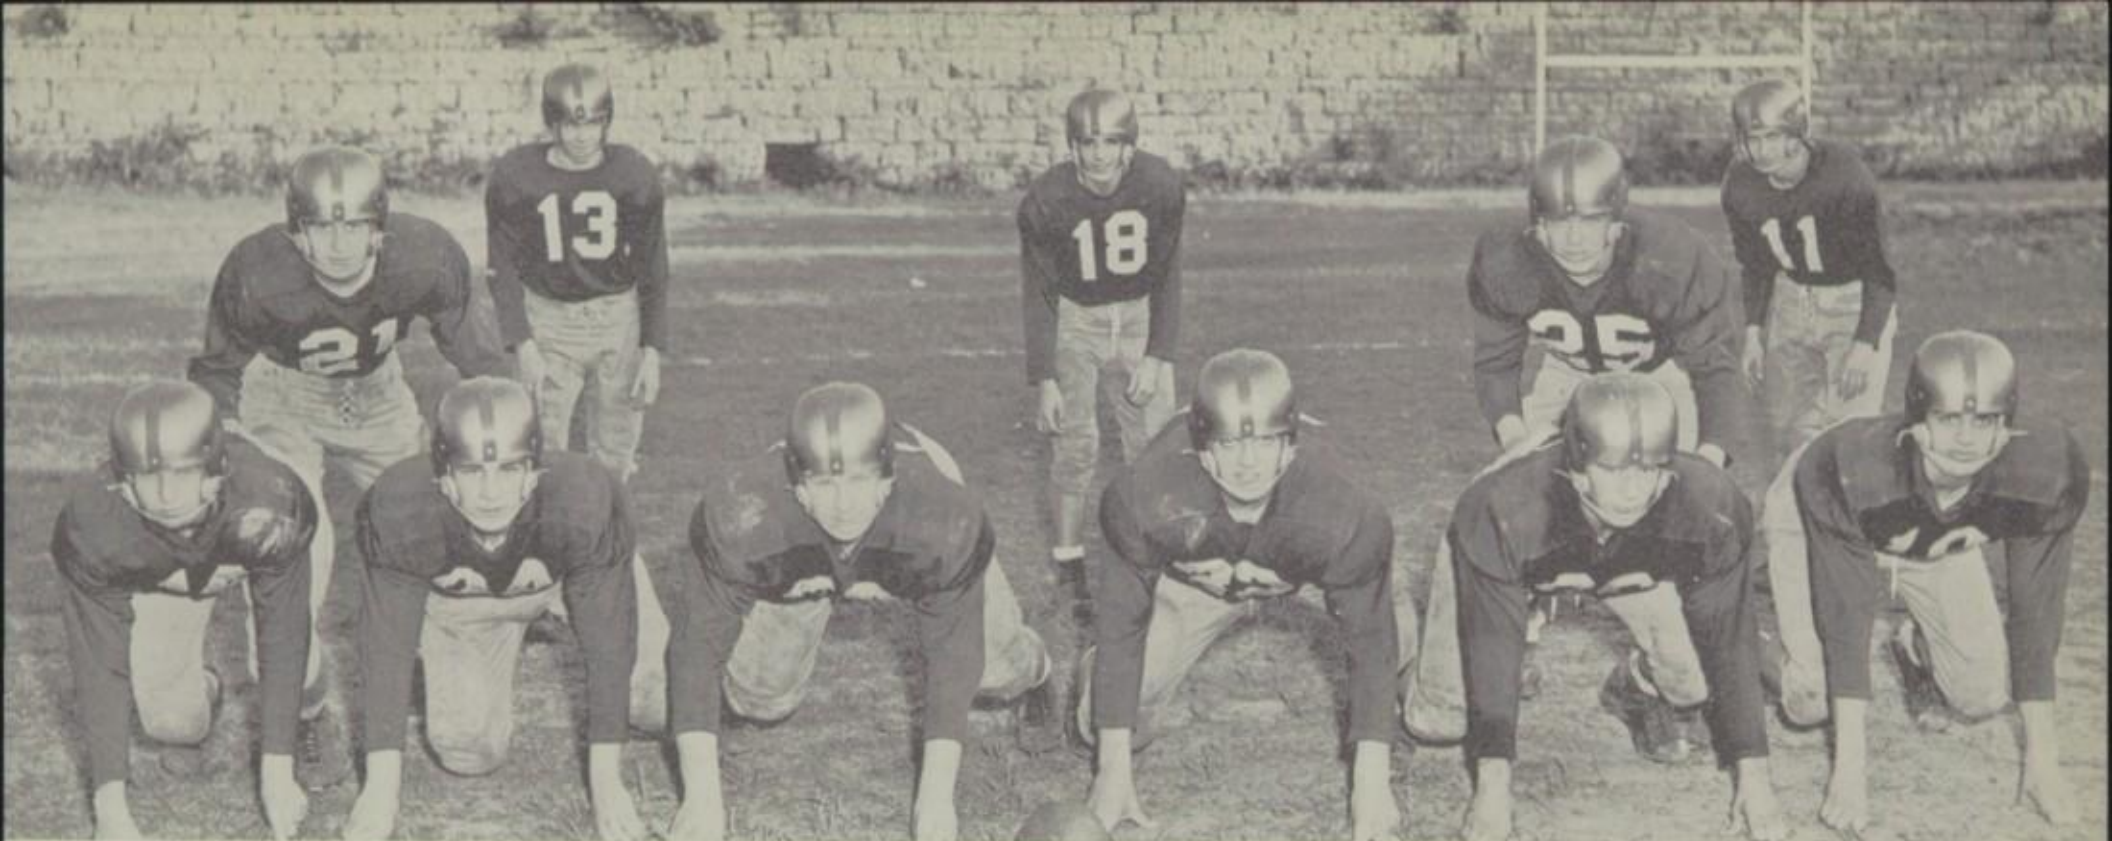

Taking to the road, the Gubs traveled to Clinton to meet the River Kings in the season opener. Taking advantage of long gains at decisive moments, Clinton was well on its way to victory before the Gubs could get a passing attack clicking which netted them a touchdown in the closing seconds of the game. The try for the PAT was low and wide. TD—Nauman.

LORAS—0 BOYS' TOWN—38

Moving next to Boys' Town, Nebraska, the Golden Gubs absorbed their worst defeat of the season as powerful Boys' Town completely stymied the Gubs with a brilliant array of running and passing. The Cowboys, while scoring six touchdowns, held the Gubs to no points, no yards passing, and only 55 yards rushing. TDs—None.

LORAS—0 LOGAN—0

Playing their first home game of the season, the Gubs, rated a two touchdown underdog, battled undefeated Logan of LaCrosse to a scoreless tie. A brilliant defense consistently kept the Rangers from scoring as they recovered four Loras fumbles, three of them deep in Gub territory. The Gubs only threat came late in the fourth period, but a fumble, recovered by Logan on the 5-yard line, ended it. TDs—None.

LORAS—28 CAMPION—13

A Dads' Day crowd roared its appreciation as the Loras Gubs shook off their scoring drought to down Campion Academy for their first win of the season. The highlight of the afternoon was Bob Murphy's 90-yard kickoff return for the game clinching touchdown. TDs—Murphy 2, Esslinger, Nauman. PAT—Welu 4.

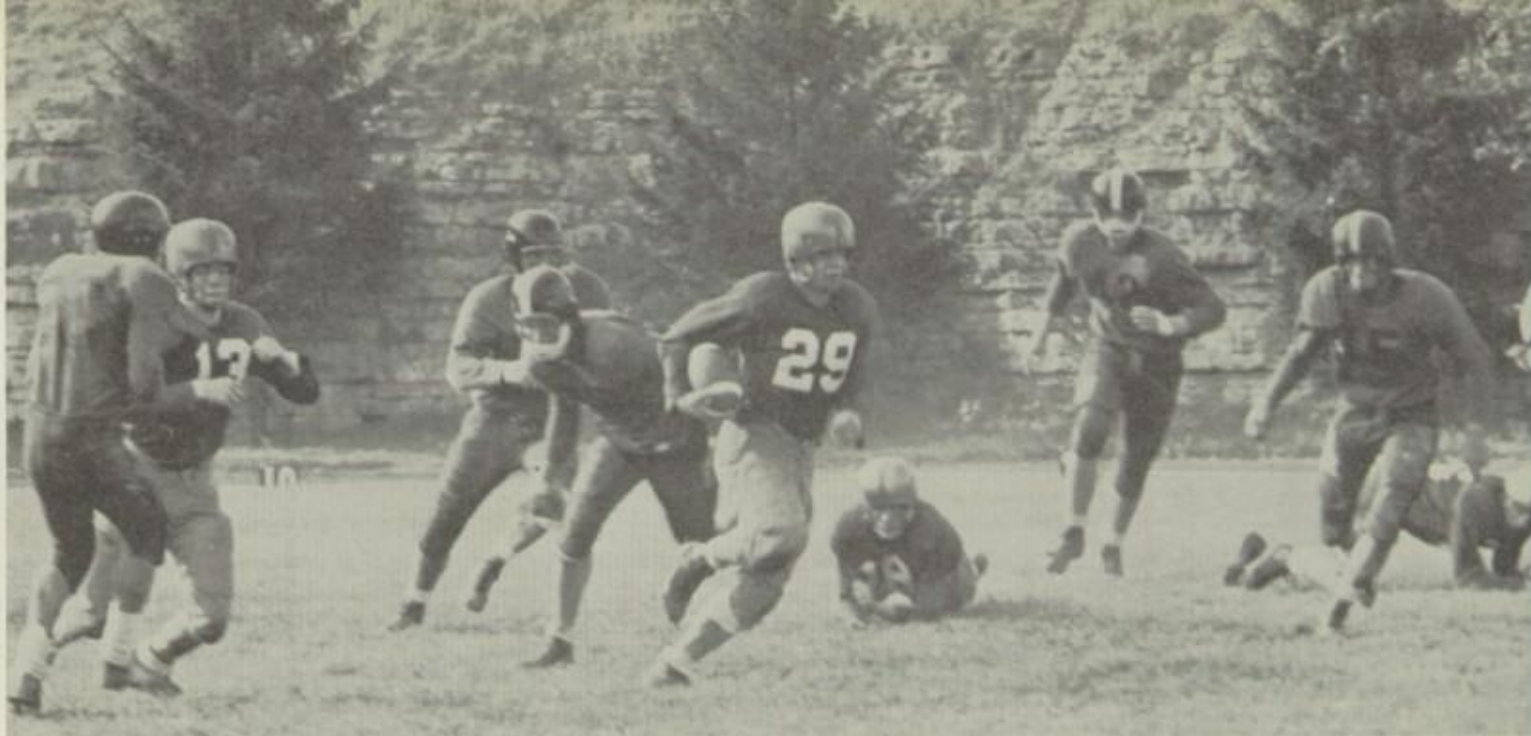

LORAS—0 ST. AMBROSE—12

On the road again, the Gubs next traveled to Davenport to meet highly-rated, arch rival, St. Ambrose Academy where they came out on the short end of the score in a hard fought, heart-breaking battle. Twice the Gubs moved the ball within two yards of the goal, only to be stopped, first by the ending of the half, and next by a stubborn St. Ambrose defense. TDs—None.

Back row: Murphy, Nauman, Wright, Esslinger. Front row: Rigney, Weihs, Frommelt, Willging, Brown, White, Welu.

Nauman breaks loose.

LORAS—31 DOWLING—0

A capacity homecoming crowd saw the Loras Gubs, inspired by the beautiful faking and ball handling of Danny Wright, completely over-run Dowling of Des Moines for their second win of the season. Taking advantage of pass interceptions and bad punts, the Gubs climaxed the afternoon with a touchdown drive that actually carried the ball 129 yards. TDs — Esslinger 4, Wright. PAT—Welu.

LORAS—26 FORT DODGE—12

Continuing in their winning ways, the Gubs moved next to Fort Dodge where a combination of speed and Dodger fumbles allowed the Gubs to walk off the field with their third victory of the season. The Gubs jumped off to an early lead and were never headed, scoring three times in the first half and once in the second half. TDs —Esslinger 3, Murphy. PAT—Welu 2.

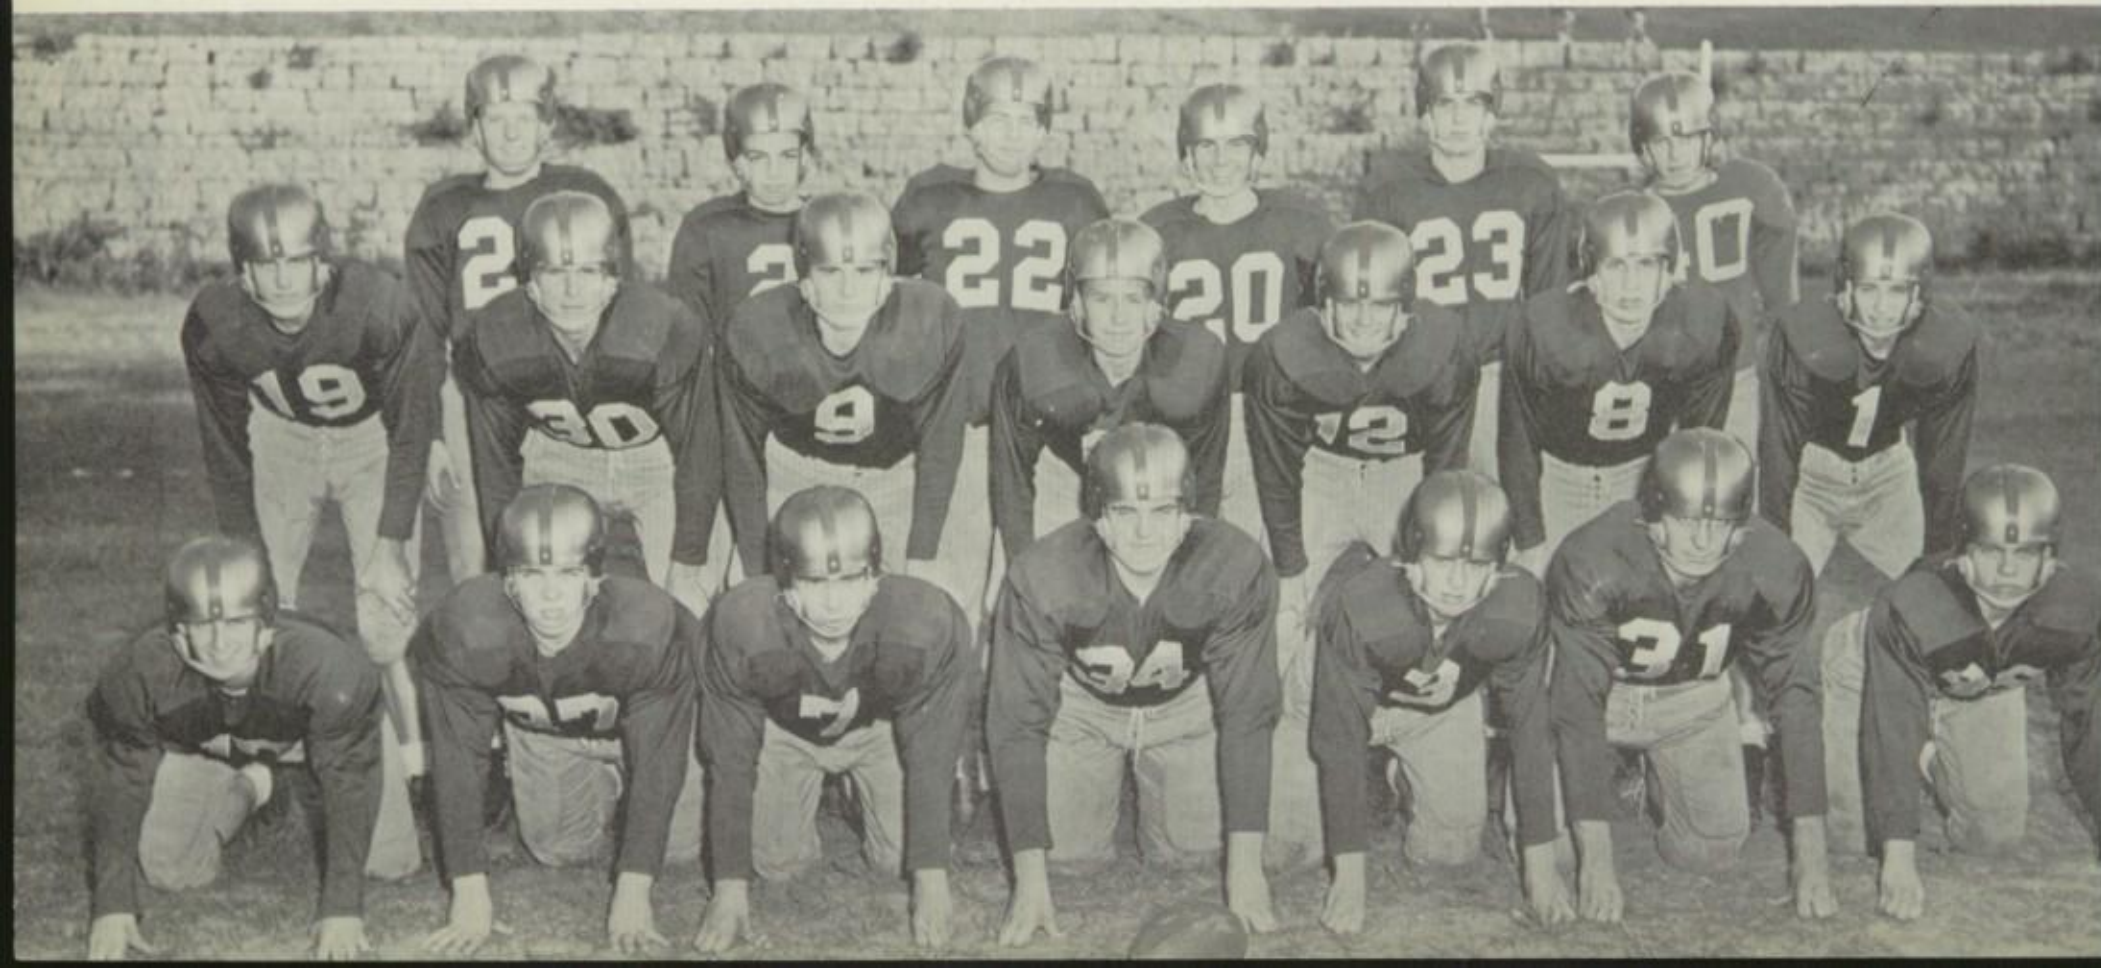

LORAS—34 AQUINAS—7

Still on the road, the red hot Gubs invaded LaCrosse where they handed the Aquinas Blue-golds their worst defeat of the season. Big gun in the Gub attack was Bob Murphy, scoring four times as the Gubs went over the 500 mark for the first time in the season. TDs—Murphy 4, Welu. PAT—Welu 4.

MILITARY BALL

An old story with new actors and new settings made this year's Military Ball the number one social highlight of the year at Loras. The old story was the announcement of commissions, the grand march and a gala evening of fun and dancing. The new actors were the seniors that earned recognition in R.O.T.C., another fine dance band and a very decorative military theme.

Teddy Phillips and his orchestra played the music and entertained with a few original gags and was a big hit. Huge replicas of R.O.T.C. merit ribbons were set up around the dance floor and behind the bandstand a huge golden eagle hung before a red, white and blue background.

The grand march formed at 9 o'clock and over 300 couples watched as the new officers received their commissions.

Above: The soloist appearing with the Teddy Phillips band sings a selection during the course of the evening.

Left: M/Sgt. Robert Eikenberry escorts the date of one of the newly commissioned officers to the side while he receives his promotion.

Below: Grand March time! Couples line up for the March with its usual mix-ups and confusion. All in all it's a "mess" but a lot of fun.

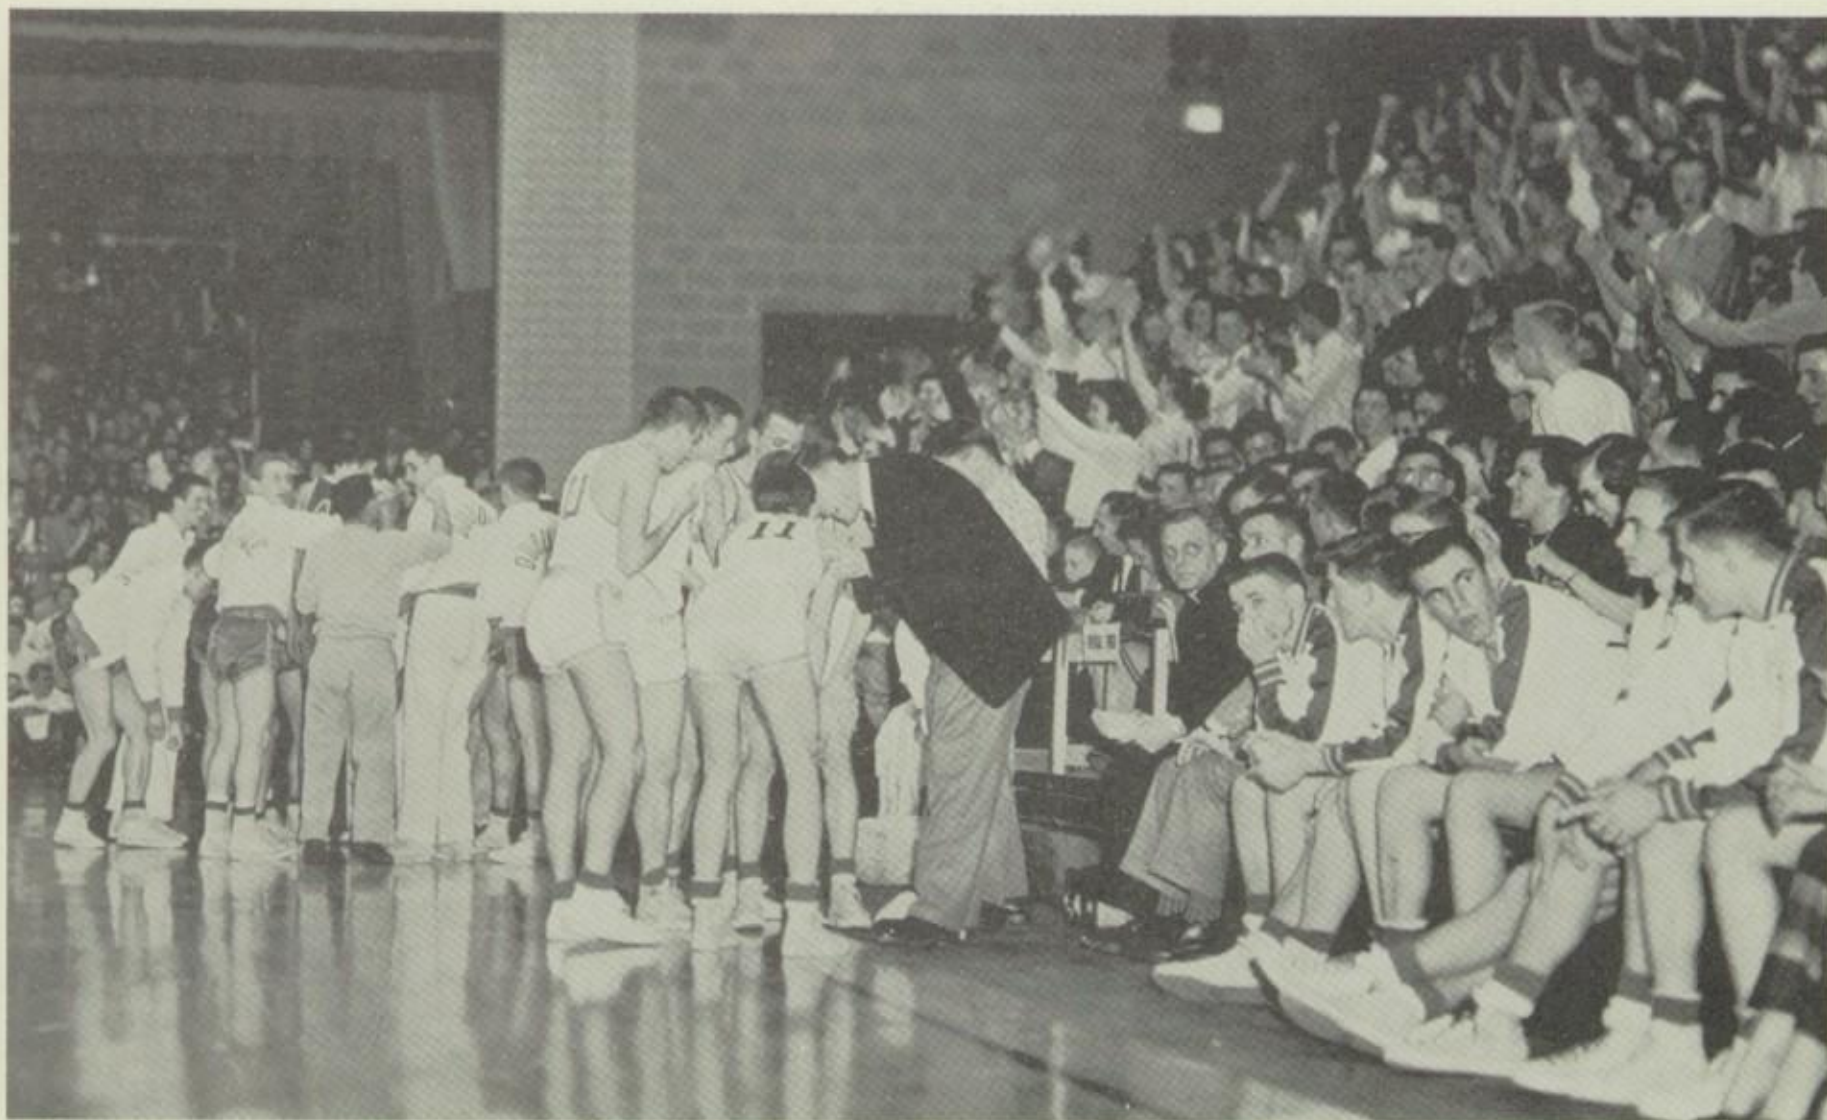

Dorrance Bakey (left) introduces his date, Miss Margo Penney, to Miss Helene Vidmar who is escorted by Bob Beckmann.

The Battalion Staff get together with their dates after receiving commissions. Left to right are: Miss Thekla Rettenberger with Maj. John J. Schwind; Miss Donna Allendorf and Lt. Col. Robert M. Cardelli; Miss Lucretia Alvarado with Capt. Joseph B. France; and Miss Marilyn Fuller and her escort Capt. John J. Ludescher.

VARSIITY BASKETBALL

Coach Van P. Combs and captain, Gary Less.

A slow start and a whirlwind finish is the way the 1955-56 basketball season could best be described as the Golden Gubs, after dropping many close games in the first part of the season, began to pick up steam mid-season and finish with a respectable fourteen wins and nine losses.

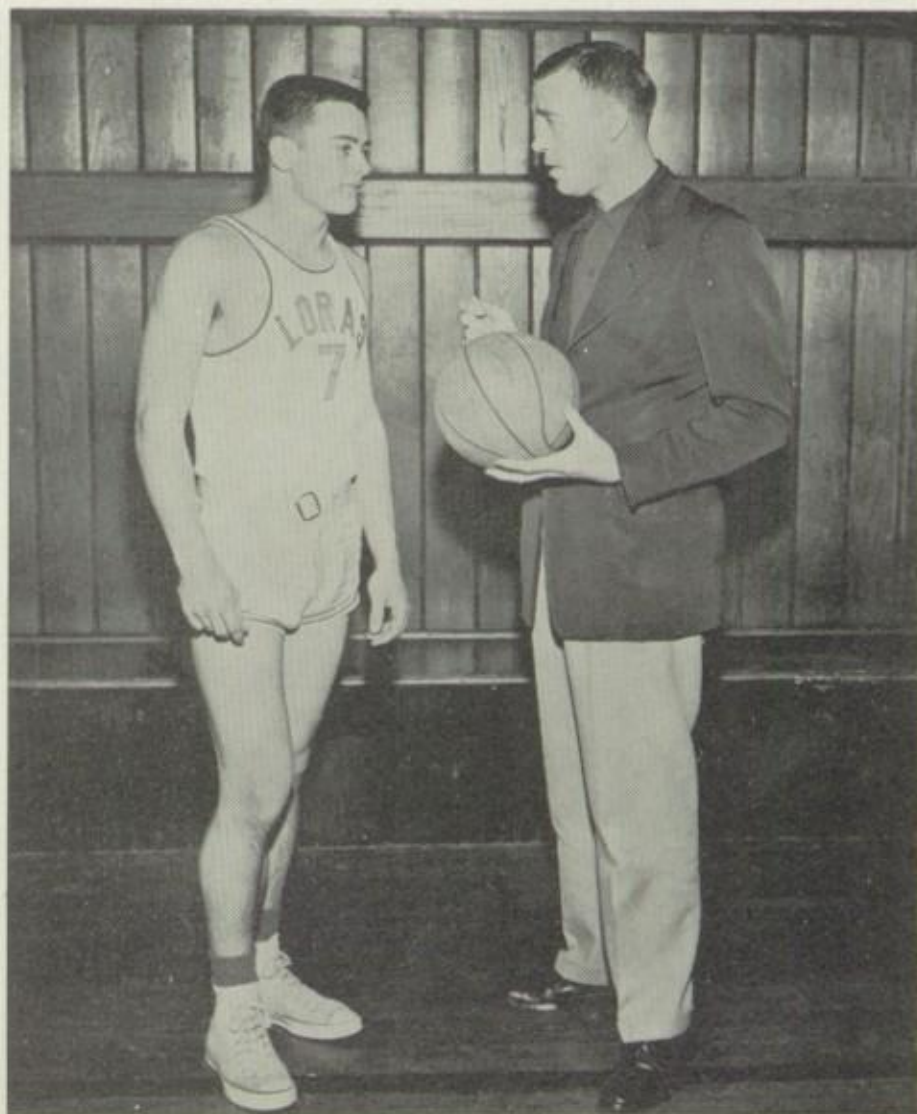

Inexperience was the big factor in the Gubs' early season woes but Coach Van P. Combs' charges fought back with a winning spirit to write into Loras Academy history a season which can be termed as one of the greats.

OPEN ON ROAD

Moving first to Keokuk, a fighting band of Loras Academy Gubs battled right down to the wire before succumbing to the highly rated Keokuk Chiefs 76-70. The Gubs' high scoring attack was fairly well balanced among the starting five with scoring honors going to Mike Callahan with 16 points.

FIRST HOME STAND

Playing before a home crowd for the first time the Gubs were host to the Platteville Hillmen who took advantage of numerous Loras mistakes to squeeze out a 67-62 overtime win. But the Gubs bounced right back to show the fans

their winning form as they evened up their season record at 2-2 by virtue of a 51-42 win over Milwaukee Cathedral followed by a 58-51 victory over Milwaukee Don Bosco the next day. In both games, sudden scoring spurts and a full court press in the fourth quarter almost overtook the Gubs, but with Gary Less handling the ball the Gubs settled down to choke off both rallies.

CAMPION NEXT

On the road once more, the Gubs invaded the Champion Knights where they picked up their third win of the season as they came out on the long end of a 65-58 score. Callahan was high with 19 points followed by Bob Roth with 16.

HOME AGAIN

Returning home the Gubs' winning streak was brought to an abrupt halt as the St. Ambrose Knights completely smothered Loras 73-47. The Gubs, having their coldest night of the season, could muster only 12 field goals in 65 attempts for a frigid .185 shooting percentage while St. Ambrose, with high scoring Pete Shebler, almost scored at will. Callahan was high for the Gubs with 18.

ONE GAME AWAY

Not to be discouraged, the Gubs picked up

their fourth win of the season by decking Aquinas of LaCrosse 76-67 in a game played at LaCrosse. Roth was high for Loras with 21 followed by Less with 20.

TWO GAMES AT HOME

Playing host to I. C. of Cedar Rapids the Gubs dropped a heart-breaker to an undefeated Greyhound team in a double overtime 66-65. Loras' season record now stood all even at four wins and four losses. But the Gubs were not to stay long at a .500 clip as they pulled one of the major upsets of the season by downing a highly rated Mason City, Holy Family five 61-52. Bob

Bautsch hit a sizzling .769 percent for 22 points, high for the night.

DAVENPORT AGAIN

A trip to Davenport to once again meet St. Ambrose proved disastrous for Loras as the red-hot Knights trounced the Gubs 89-61. After keeping fairly close in the first half, the Gubs were outscored 33-10 in the third quarter to ice the game for St. Ambrose. Roth was high for Loras with 16 points.

AQUINAS AT HOME

At home once more, the Gubs pulled out an uphill 65-64 victory over a spirited LaCrosse, Aquinas team. Bob Roth's jump shot with 20 seconds left in the game gave the Gubs their winning margin but the mainstay of the Loras attack was the brilliant playing of Bob Bautsch who missed but one free throw, after dropping in nine in succession, and swished the nets for ten field goals to lead both teams in scoring.

BIG FOUR MEET

Moving next to Sioux City the Gubs broke even in their annual Big Four meet by downing Sioux City, Heelan 77-65 but dropping their second game 76-68. Still on the road the Gubs, after trailing by as many as 12 points at one point, fought back to hand Platteville its second loss of the season, 77-74 in a game played at Platteville. Bautsch was high with 24 points.

LAST HOME GAMES

Loras absorbed its seventh loss of the season when they returned home to meet the Alleman Pioneers in a game which saw the Gubs blow an early lead and go down in defeat 72-66. Bautsch was again high for Loras with 24 points. In their last home game the Gubs once again met the Champion Knights and again defeated them in a close game 60-59. Leading by 12 points with less than two minutes to play, the Gubs suddenly saw their lead dwindle to almost nothing as the Knights began finding the range, but the Gubs hung on to squeeze out their one point decision.

Roth rebounds against IC.

SEASON WIND-UP

A trip to Cedar Rapids brought the Gubs' season record to 10-7 as the Gubs rallied in the fourth quarter to hand the I. C. Greyhounds a 63-61 defeat. Again Bautsch was high with 24 points. Alleman was the next and final opponent during the Gubs' regular season and again the Pioneers proved too much for Loras as they dropped their eighth decision of the year 77-70. High man for the Gubs with 21 points was . . . Bautsch.

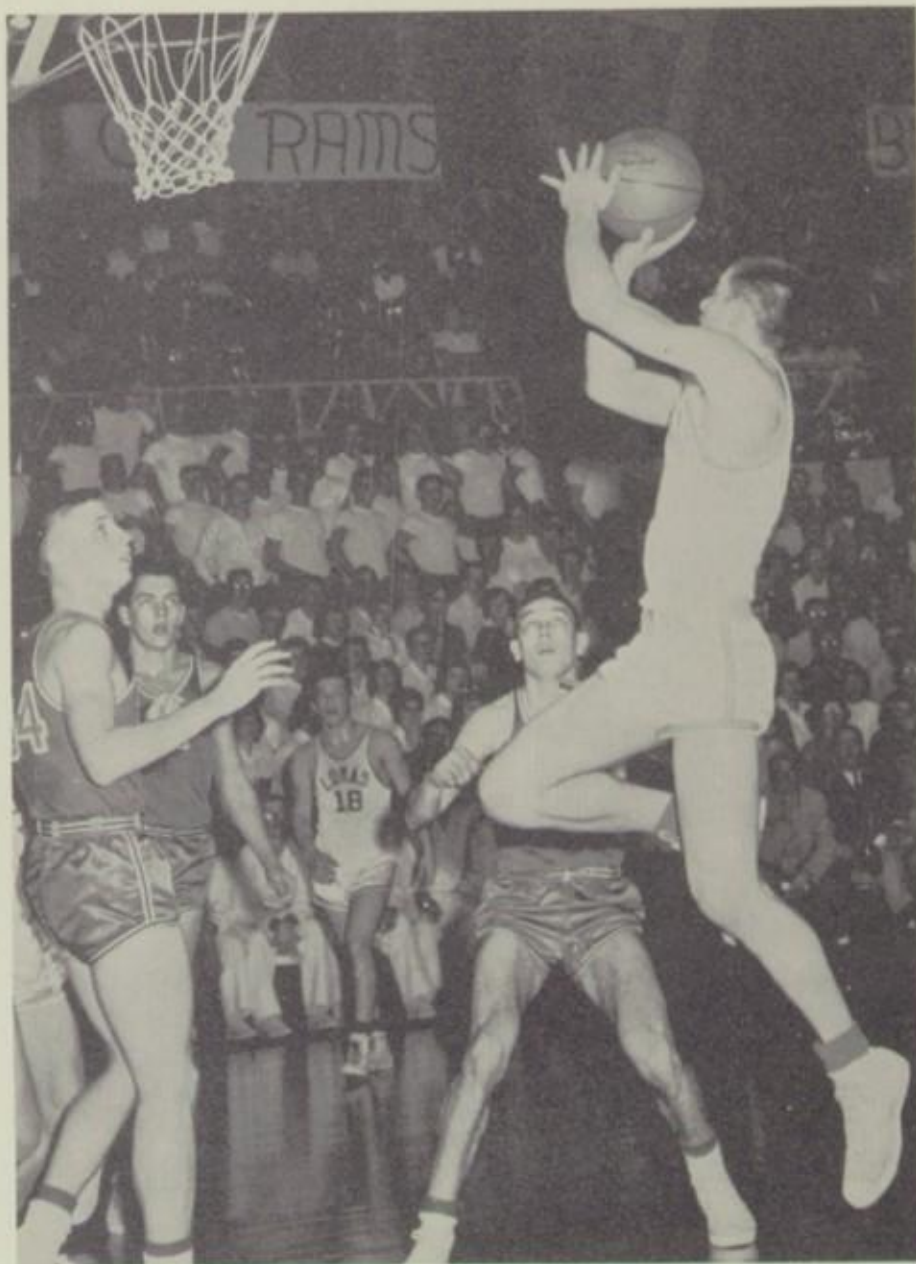

SECTIONAL TOURNAMENT

Opening sectional play, the Loras Gubs met the St. Columbilles Co-Dukes in a game which saw the Gubs bury the Co-Dukes 72-54 by use of sudden scoring spurts and a tight defense. Bautsch was high with 19 points.

Moving to the semi-finals the Gubs, after an unsteady first quarter, easily downed Maquoketa for a 87-67 victory. Again a sudden scoring spree in the second quarter put Loras ahead to stay. Roth was high for the Gubs scoring 30 points.

"Beat the Rams" was the chant of Loras fans as the Gubs prepared to meet Senior High School in the finals of the sectional tournament. And beat them they did.

Going into the game a ten point underdog, Loras battled against a home floor advantage and greater height to walk off the floor with a 64-55 win. Trailing by ten points early in the game, the Gubs fought back to tie the score and then go ahead as the fans roared their approval. "The Rams were dead."

Less goes high in the air to score.

Bautsch drives around Greyhound guard.

Callahan looks for an opening.

DISTRICT TOURNAMENT

The Elkader Warriors were the first foe to meet Loras in district tourney and the Gubs, after trailing at the half, caught fire in the third quarter to hand the Warriors their second loss of the season 80-69. Bautsch, who missed over six minutes of the game, was high for Loras with 26 points.

The end was drawing near for the Gubs as they traveled to Waterloo to meet the Cedar Falls Tigers. Before Loras could get any kind of an attack working the Tigers were well on their way to a one-sided 74-62 victory. Only a full court press and a scoring spurt in the closing minutes kept the game from being a rout. Callahan was high for the Gubs with 19 points.

BASEBALL

With a new coach, four returning lettermen, and some new opponents, the Loras Academy Baseball Team started their 1956 season.

Under the guidance of the Rev. William O'Brien the Gubs won their first seven games by downing Bellevue twice and Cedar Rapids, Colesburg, Maquoketa, Campion and Xavier once.

After a loss to Senior High in the sectional tournament and another to Campion, the Gubs went on to win their next four by whipping East Dubuque, Senior High, Maquoketa (no hitter by Klaas) and Xavier.

The Gubs dropped their last game of the season to Senior High to end up the season with a 11-3 record.

TRACK

Rigney shows record-breaking form.

Nine returning lettermen and a group of sophomore hopefuls were the raw material from which Coach Gailen built his 1956 track team.

The returning lettermen for the Gubs were Bob Jaeger, Bob Murphy, Mike Rigney, Ralph Mueller, Larry Weihs, Don Cummins, Richard Murphy, John Krieman, and Jim McDowell.

This year record breaking seemed to be popular with the Gub cindermen as three school track records fell before the efforts of Coach Thomas' athletes.

Mike Rigney rewrote the record books on two occasions with his 120 yard high hurdles in 15 seconds and the 180 yard low hurdles in 21.2 seconds. In the 440 yard relays, Larry Weihs, Dick Murphy, Rigney, and Bob Murphy combined to set the record at 45.5 seconds.

For the over-all season the Gubs were undefeated in three dual meets and one triangular meet. They placed fourth in the district and Iowa State Teachers Meet while copping a sixth place finish in the Clinton Gateway.

SPRING PROM

A fine dance band, the announcement of Student Council officers, and a lot of people having a lot of fun made up our annual Spring Prom this year.

Right: Various moods are seen, ranging from the serious look on Bob Schlegel (left) to the ridiculous expression on the face of Bernie Finn (second from left). The other couples enjoying themselves are John Ryan and date and Jim Trosky and his date (right)→

Everyone gathers around as the band plays a number in honor of the newly named Student Council Officers who have just taken their places on the stage.

President Ardie Esslinger, Attorney-General Jim Kemp, Secretary-Treasurer Skip Haas, Parliamentarian Dan Wright, and Corresponding-Secretary Dave Weis. Each year the newly elected officers are made known at the Prom.

The decorations instilled a spirit of "Paris in the spring time" and were very effective.

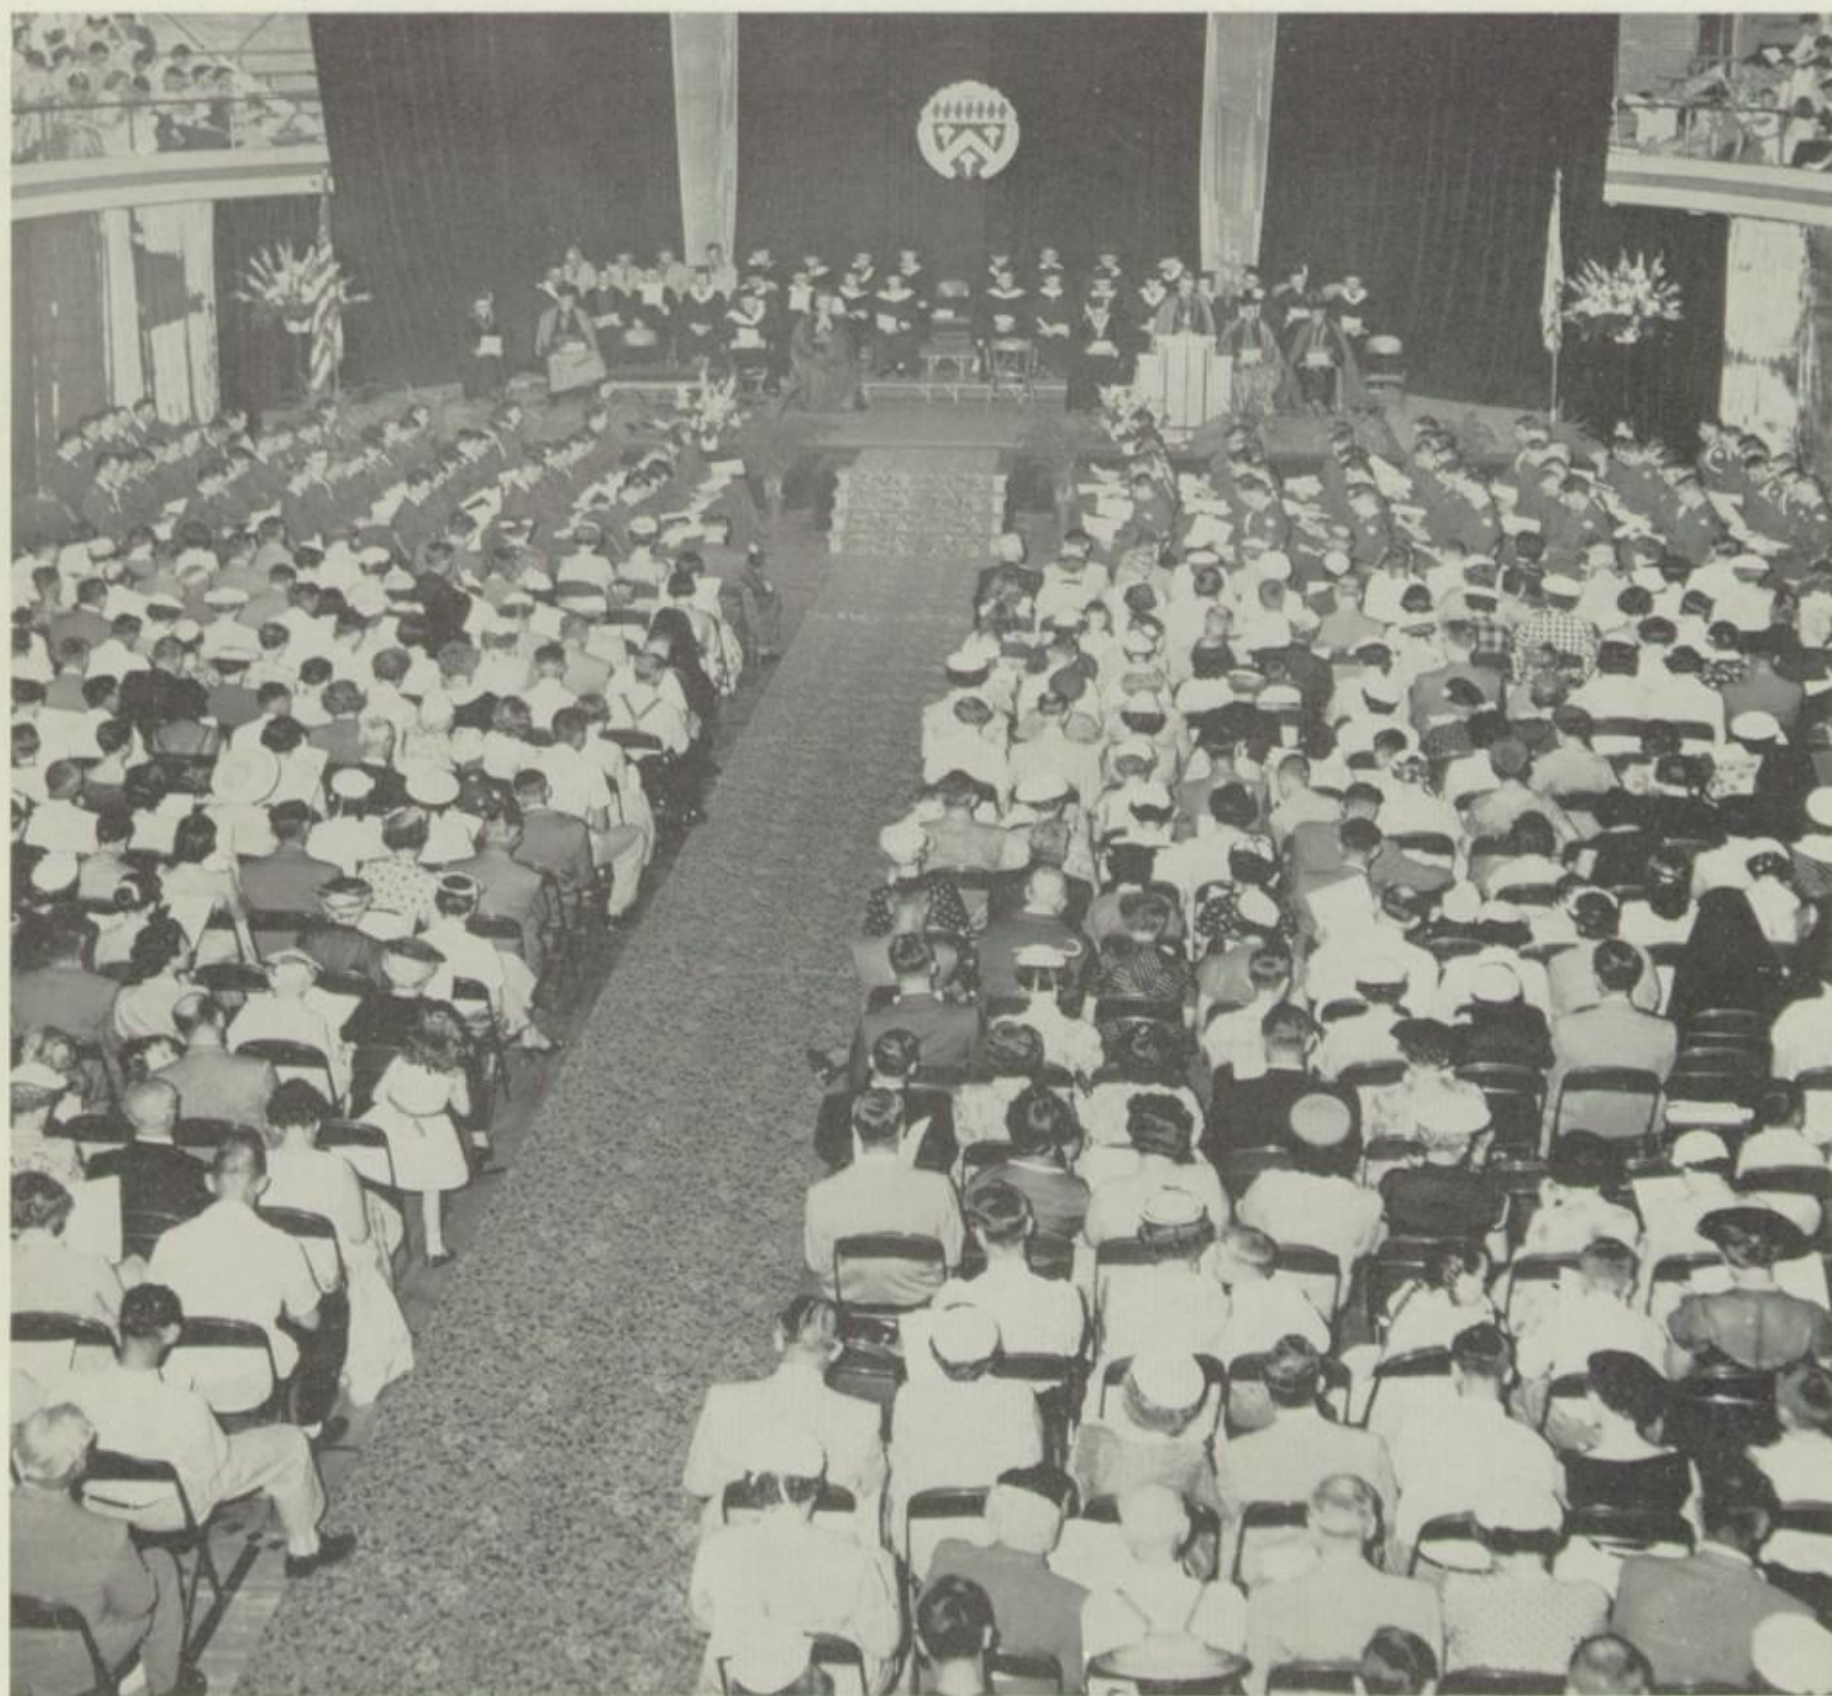

Also the punch which was served by the Mothers' Club added to a most enjoyable evening.

Below: Two couples relax between dances, discuss and admire decorations.

It's the hope of the Log Staff that this annual has completely covered the activities of every school organization as well as the work done in the classroom and individual achievements. We also hope that you will have as much enjoyment going through the Log again and again as we had in putting it together.
